

EMPLOYMENT OPPORTUNITY

Heavy Equipment Field Technician

Edmonton, AB. – Western Region
Reference Number: HEFT-12920-100129

SMS Equipment Inc. supplies equipment parts and service to the **construction, forestry and mining** industries and **utility** product users. It was created to provide customers with integrated solutions and to expand our service capabilities as a **nationwide** organization.

The Role:

Reporting to the Service Manager, our Heavy Equipment Technicians maintain, repair and rebuild heavy equipment at the shop or at customers' jobsite locations in a safe, efficient and capable manner.

The successful applicant will be required to:

- Make recommendations regarding the extent of repairs and suggest methods of improvement.
- Repair the equipment in a timely and financially responsible manner.
- Think logically and keep up with changes in technology.
- Interpret work orders and technical manuals.
- Have a strong awareness and attitude towards workplace health and safety.
- Be motivated and able to work in a challenging environment with minimal supervision.

Qualifications:

- HET (Off Road) Journeyman certification.
- Forestry, mining and heavy equipment repair experience.

*This is a very exciting time to be a part of **SMS Equipment Inc.** We are one of the largest Komatsu dealers in the **world** and believe our continued growth is a result of our highly skilled and engaged employees who deliver **excellence** in the workplace. If you are interested in working for a very dynamic company where your input, your ideas and your participation is valued, apply today. Our growth means **your success**.*
