

EMPLOYMENT OPPORTUNITY

Heavy Equipment Technician

Regina, SK – Western Region
Reference Number: HDM-12020-091020

SMS Equipment Inc. supplies equipment parts and service to the **construction, forestry and mining** industries and **utility** product users. It was created to provide customers with integrated solutions and to expand our service capabilities as a **nationwide** organization.

The Role:

Our Heavy Duty Mechanics maintain, repair and rebuild heavy equipment at the shop or at customers' jobsite locations in a safe, efficient and capable manner.

The successful applicant will be required to:

- Make recommendations regarding the extent of repairs and suggest methods of improvement
- Think logically and keep up with changes in technology
- Interpret work order and technical manuals
- Have a strong awareness and attitude towards workplace health and safety
- Be motivated and able to work in a challenging environment with minimal supervision.

Qualifications:

Forestry, mining and heavy equipment repair experience is preferred along with a HET (Off Road) Journeyman certification.

*This is a very exciting time to be a part of **SMS Equipment Inc.** We are one of the largest Komatsu dealers in the **world** and believe our continued growth is a result of our highly skilled and engaged employees who deliver **excellence** in the workplace. If you are interested in working for a very dynamic company where your input, your ideas and your participation is valued, apply today. Our growth means **your success**.*
