

EMPLOYMENT OPPORTUNITY

Component Technician - Remanufacturing Shop

Acheson, AB. – Western Region
Reference Number: CTRS-14620-091222

SMS Equipment Inc. supplies equipment parts and service to the **construction, forestry and mining** industries and **utility** product users. It was created to provide customers with integrated solutions and to expand our service capabilities as a **nationwide** organization.

Are you interested in excelling in a fast paced, challenging environment? If so, we have an exciting opportunity for you as we are currently seeking **Component Technicians** to join our team.

The Role:

Reporting to the Shop Foreman, you will work in a state of the art component remanufacturing center providing mechanical and or hydraulic expertise support to some of the largest mobile mining equipment in the world. You will be responsible for the disassembly, remanufacture, repair, assembly, and testing, of major components such as hydraulic pumps, differentials and suspension systems. Work performed must meet OEM specifications, standard hour expectations, and be conducted in accordance with the shop Quality Management System. The nature and scope of the work can at times be quite narrow and repetitive. It is often limited to the remanufacturing or refurbishing of specific components on a recurring basis. You may also be responsible for cleaning incoming cores and preparing components for inspection and quotation.

Qualifications:

Our ideal candidate has extensive experience working in a mechanical shop or in an industrial environment where the nature of the work performed is narrow in scope and repetitive in nature. You have strong organizational skills and the ability to use precision measuring tools and hand and power tools. You must be able to follow instruction, utilize shop and assembly manuals and be able to work with minimal supervision. You possess a strong work ethic, a commitment to excellence, acute safety awareness, the ability and attitude to insure compliance to all workplace health and safety policies and exceptional interpersonal skills.

*Consideration will be given to all candidates who possess the qualifications outlined. Successful applicant's have included those with experience working as; **Heavy Equipment Technicians, Industrial Millwrights, or as Automotive, or Truck Transportation Mechanics.***

Compensation:

A comprehensive benefit package is offered and your compensation will be commensurate with your experience and qualifications. Journeyman rates will apply to those individuals who possess a recognized trade qualification certificate in one of the trades identified.

*This is a very exciting time to be a part of **SMS Equipment Inc.** We are one of the largest Komatsu dealers in the **world** and believe our continued growth is a result of our highly skilled and engaged employees who deliver **excellence** in the workplace. If you are interested in working for a very dynamic company where your input, your ideas and your participation is valued, apply today. Our growth means **your success.***
