

**EMPLOYMENT
OPPORTUNITY**

Journey person HET

**Acheson, AB - Western Region
Reference Number: HET-14620-091023**

*SMS Equipment Inc. supplies equipment parts and service to the **construction, forestry and mining** industries and **utility** product users. It was created to provide customers with integrated solutions and to expand our service capabilities as a **nationwide** organization.*

Are you interested in excelling in a fast paced, challenging environment? If so, we have an exciting opportunity for you. We are currently seeking a **Journey person Heavy Equipment Technician** to join our team.

The Role:

Reporting to the Wheel Motor Shop Foreman, you will work in a state of the art, wheel motor assembly remanufacturing and rewind facility (one of only 4 in Canada), providing mechanical support to some of the largest mobile mining equipment in the world. You will be responsible for the mechanical work related to the disassembly, remanufacture, repair, assembly and testing of transmissions and other rotating components.

Qualifications:

As the ideal candidate you have a Journey person trades ticket and have extensive experience working in a mechanical shop or in an industrial environment where the nature of the work performed is specialized and recurring in nature. You have strong organizational skills and must be able to follow instruction, utilize shop and assembly manuals and be able to work with minimal supervision.

*This is a very exciting time to be a part of **SMS Equipment Inc.** We are one of the largest Komatsu dealers in the **world** and believe our continued growth is a result of our highly skilled and engaged employees who deliver **excellence** in the workplace. If you are interested in working for a very dynamic company where your input, your ideas and your participation is valued, apply today. Our growth means **your success**.*

Apply today

Qualified applicants are invited to submit their resume by e-mail or fax, quoting reference number **HET-14620-091023**, to:
