

## EMPLOYMENT OPPORTUNITY

### Journeyman Parts Person

Elkford, BC - Western Region  
Reference Number: PP-14820-091110

*SMS Equipment Inc. supplies equipment parts and service to the **construction, forestry and mining** industries and **utility** product users. It was created to provide customers with integrated solutions and to expand our service capabilities as a **nationwide** organization.*

#### The Role:

This position's primary duties will be, but not limited to, the maintenance of parts distribution and logistics to our various customers. Will monitor and adjust inventory levels as required; accurately report inventory usages and levels; and provide physical inventory counts and electronic inventory audits. This position works in both the parts warehouse and service desk as required.

#### Qualifications:

The ideal candidate will possess an Inter-provincial Journey Red Seal Parts Technician Ticket. Applicants are expected to have experience in the construction and forestry industries with a solid knowledge of heavy equipment parts distribution. Experience working with the Komatsu line construction and forestry equipment and/or experience working in the service and rebuild business would be an asset. A strong working knowledge of Microsoft Office applications, including Word and Excel is required. Excellent communication and customer service skills are a must.

A valid driver's license is a requirement.

*This is a very exciting time to be a part of **SMS Equipment Inc.** We are one of the largest Komatsu dealers in the **world** and believe our continued growth is a result of our highly skilled and engaged employees who deliver **excellence** in the workplace. If you are interested in working for a very dynamic company where your input, your ideas and your participation is valued, apply today. Our growth means **your success**.*
