

EMPLOYMENT OPPORTUNITY

GET Specialist

Fort McMurray, AB. - Western Region
Reference Number: GET-14560-090626

SMS Equipment Inc. supplies equipment parts and service to the **construction, forestry and mining** industries and **utility** product users. It was created to provide customers with integrated solutions and to expand our service capabilities as a **nationwide** organization.

The Role:

Reporting to the GET and Undercarriage Manager, this position supports GET activities handled by SMS Equipment within the assigned territory of the Fort McMurray area. This involves developing new accounts and servicing existing accounts.

Additionally, the GET Specialist will be responsible for:

- Establishing and maintaining strong professional relationships with customers and manufactures.
- Solving technical problems and generating customer solutions for GET.
- Performing and/or coordinating market and opinion surveys.
- Monitoring existing accounts and maintaining all records and paperwork regarding customers assigned.

Qualifications:

- Requires a strong sales/mechanical background along with 3-5 years experience within the mining/industrial industry.
- Experience in the heavy equipment business and familiarity with GET on large mining equipment.
- Ability to operate in a diverse environment with a significant focus on client and customers relations.
- Proficient communication skills in dealing with customers and manufacturers.
- Good computer skills (MS Excel and MS Word).

This position will report to our Townsite facility and will be a 5X2 shift.

*This is a very exciting time to be a part of **SMS Equipment Inc.** We are one of the largest Komatsu dealers in the **world** and believe our continued growth is a result of our highly skilled and engaged employees who deliver **excellence** in the workplace. If you are interested in working for a very dynamic company where your input, your ideas and your participation is valued, apply today. Our growth means **your success**.*
